

# SELENE TITLE

## WHO WE ARE

Selene Title is a nationwide title insurance and settlement company specializing in SFR acquisitions, portfolio, origination, securitization and default title services

- » Scope of experience and volume enable Selene Title to have strong working relationships with underwriters, providing customers flexibility and comfort knowing that transactions will be transparent and compliant
- » Relationship-driven approach to ensure a smooth, efficient and cost-effective process for closing every transaction

## WHAT WE DO

Selene Title delivers superior value and customized solutions to meet our clients' needs

- » National provider of full title and escrow capabilities for investor title services, including large portfolio acquisitions, securitizations and build-to-rent projects
- » Nationwide individual acquisitions, disposition and origination transactions
- » Default title solutions, including title searches and REO title services

## HOW WE MAKE A DIFFERENCE

Selene Title's in-depth knowledge and industry experience differentiate us within the industry

- » Superior, personalized customer experience through a dedicated team of professionals
- » Proprietary technology delivering seamless integrations developed for SFR transactions
- » Tailored communication and detailed reporting paired with streamlined processes to ensure efficient closings
